Special Considerations	
<ul style="list-style-type: none"> City Walk runs down Clifford Street along Parcel 35. The public realm should be designed to engage City Walk through strategies such as a more generous pedestrian right-of-way, additional landscaping, pocket parks, etc. The Clifford Street frontage should be prioritized for active ground floor uses. 	

Note: Full investigation of easements, elevations, and other external constraints to development is the responsibility of the project proponent.
