I-195 Redevelopment District

**ADDENDUM NO. 001
Questions & Answers**

**Request for Proposals
for
Shipping Container Supply, Delivery, and Installation**

The I-195 Redevelopment District (“District”) is issuing this Request for Proposals (“RFP”) to engage a qualified responder to provide a shipping container with delivery and installation services to 195 District Park (“Park”) located in Providence, Rhode Island.

Question #1: For the double-door entry, are you looking for doors on both ends or one end only?

Answer #1: The shipping container should have double doors on both sides.

Question #2: For the ramp, are you looking for the external ramp leading into the container?

Answer #2: Yes, the ramp will be used to load equipment on wheels into and from the container.

Question #3: For the shelf brackets, are you looking for us to install these inside the container?

Answer #3: The shelf brackets do not need to be pre-installed if the brackets are easily installable after delivery. Please include pricing for customizable options in your proposal if they are available.

Question #4: As the container is onsite currently, are you looking for the removal of that container?

Answer #4: The current container will remain on-site adjacent and in addition to the container described in this solicitation.

Question #5: 72” grit ramp. Are two 36” grit ramps side by side acceptable or is a full one piece 72” ramp required and what will be the weight capacity needed?

Answer #5: Two 36” grit ramps side by side are acceptable.

Question #6: Double door entry. Please confirm that this is for two doors on one end of the container not a double door container with doors on both ends?

Answer #6: The container should have double doors on both sides.

Question #7: Brackets to accommodate 6 shelves. Would this be 6 tiers on one side or 3 tiers on each side and what would the length required?

Answer #7: Three tiers on each side is preferred. Shelves should be at least 54" in length. Please include pricing for customizable lengths in your proposal.
