

# Parcel 5

**PARCEL AREA** 1.49 ac.

## ZONING

District	C-2
Overlay District	ESOD
MIN Building Height	2 Stories
MIN First Story Height	9' Res., 11' Com. (floor-to-ceiling)
MAX Building Height	50', not to exceed 4 Stories

## BONUS

Eligible for an increased building height bonus if space is provided within the project for the uses, improvements, or facilities set forth below.

**Off-street Parking** accommodation for 50% or more of total parking requirement in a parking structure.

**Publicly-accessible Open Space** for passive and/or active recreation within the East Side Overlay District (ESOD) totaling a minimum of 10% of the lot area, with the condition that the open space is available for use every day, year-round, during daylight hours, and maintained by the property owner.

**Active Ground Floor Uses** of a minimum of 5,000 square feet fronting South Main St., South Water St., or Wickenden St. including but not limited to restaurants and cafes, sales and service retail, professional office space, art galleries, performance space, and community event space.

**Vertical Mixed-use Development** of which at least 50% is devoted to residential use.

**BONUSES MAY IN NO CASE RESULT IN MORE THAN TWO (2) ADDITIONAL STORIES.**

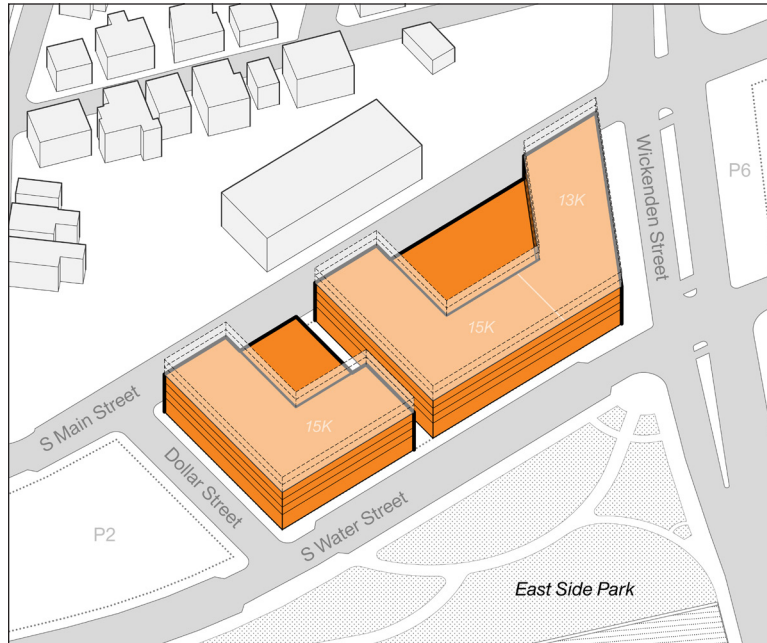

## MINIMUM SETBACKS

Front	0-5' Build-to-line (see 503.A.6 for built-to % req.)
Interior Side	A publicly-accessible mid-block connection at least 20 feet wide shall be provided for pedestrian and/or vehicular circulation between S. Main St. and S. Water St.; the centerline for which shall be located within a linear distance of between 30 and 70 percent of the length of the S. Water St. block frontage between Dollar St. and Wickenden St. curbs cuts permitted.
Corner Side	Building façades shall be constructed on a build-to zone of zero to three feet from the lot line for 100 percent of the Wickenden St. frontage.
Rear	none; unless abutting res. district, then 20'

**Parking Garage** on the ground floor shall be 20' from South Main St., South Water St., and Wickenden St. (parked vehicles concealed from view from the far side of any right-of-way that abuts the property).

# Illustrative Test Fits

Location of mid-block connection and massings shown are not preferred designs; they are for illustrative purposes only, in order to show floor area capacity within the zoning requirements.
